

Today is a good day

Today is full of potential

Today is full of opportunities

I move through this day with grace and ease

I went through this day with a sense of wonder

I move through this day with a sense of possibilities

Today I look for opportunities to feel good

Today I look for evidence that the world is basically a good place

Today I look for evidence that my life is filled with good people

Today I am filled with optimism and positivity

I look forward to all the interactions I have with other people

I look forward to the surprises and the happy accidents that occur

I look forward to reacting to any challenges with grace and ease

I look forward to learning lessons from anything that doesn't go how I expect

Today I go with the flow

Today I am comfortable in my own skin

Today I feel confident

I move through this day with a sense of knowing that all is well

Today I look for opportunities to be grateful

Today I look for opportunities to share my gifts and talents

Today I also take time to recognise other people's talents

Today I look for opportunities to compliment others

Today I look for opportunities to lead by example

My decisions today will define my tomorrow

Today is a really good day

Today is a wonderful day

Today is a fabulous day

Today is an amazing day and I can't wait to embark on this amazing adventure

The doors of dimensions open to me so I may experience the mystical

My body is healing every day

My words are law

I feel loved deeply and daily

Wealth flows through me

All my needs are always met

My body becomes younger every day

The divine appears in my life every day

My life partner is my equal and teaches me by example

Synchronicities happen to me all of the time

I feel more whole every day

My immune system gets stronger each day

I lead with courage in my life

I am an unlimited genius

I am always aware of the power within me and all around me

I believe in myself

I embrace the unknown

I know the future is all possibilities
